Regarding our sale Tip Sheets

Our Keeneland Sept Yearling selections for complete 2020 sale were based on our preliminary screening and elimination process. You'll see all the Keeneland selections we made for 2020 pre sale here to narrow further. We had **52** selections meeting our early phase in narrowing livestock, based on reviews of under tack, education and with a bit of science applied. Individuals should hire further professionals from the equine industry before using our opinions for any final purchasing decisions they may take. The outcomes continue today.
